My dear Edwin,
Just a note to thank you for sending
me greetings with Dr. Michaelson. His
choir was superb and T.G. I had the
pleasure of singing with them the
ladino "Avraham Quinu" when they
sang during the service. I also
conducted the service, including
the choir and was able to follow the
choir and sang their melody. I sang
the psalm to the melody of Jerusalem
the whole community was
delighted and made them very
welcome.

T.G. my voice continues to be O.K.
In fact last December I participated
at the 300th Anniversary Service of
Benis Marks Sephardi Synagogue in
London where many V.I.P.s attended
including the British Prince of Wales,
to whom my wife and I were presented
and from whom I received a very
kind letter of thanks afterwards.
As P.G. Rachel and I will be in
Rehovot during the 2nd week of July
I shall be posting this letter there.

117 - 5:30pm
It was a great pleasure speaking to you on the phone

It happens that our grandson Ariel
Hazarus who is studying music in
the Tel Aviv music academy ^{HED.} is giving
a concert in Tel Aviv on Monday 8th
July and Rachel and I are looking
forward to be present. P.S. His father,
Haim Hazarus, was a student of
music in the Bar Ilan University.
Sylvia my daughter met him at
Kungat Yavne when she was studying
there. He is a member of the Rehovot
choir, Hadarei Ron.

I am enclosing a copy of one of my
recordings which I'm sure you will
enjoy for "old times sake". By the way,
you will notice that at the end I say
"it was an honour to have you both here".
This was the late Chief Rabbi Jakobowitz ^{DB}
and his wife who came to Gibraltar and
I gave them this recording. Also to the
late Haham Gaon ^{DB} and Rabbi D. Abraham
Levy (loyal life to him) both colleagues of mine
at the Spanish & Portuguese Synagogue in London.
I am finishing this letter in Rehovot.

Last night's concert was excellent. All
those who participated did very well. It
was most enjoyable. I also managed to meet
Noam Ben Zeev & Shit. Hemen Heker. We've arranged to meet
in Gibraltar next week. P.S. as we are leaving on Sunday.
Here's wishing you all the best. Hoping we shall meet again
one of these days.

Get from Jerusalem address from Basilean.
Best regards to Stella.

P.S. Please give a copy of this envelope to Sylvia Basman. I told him you would write me for him.
